

YN30WPD 30W Ultra-thin Power Adapter Supports PD3.0/QC4+/PPS Full Protocol Fast Charging Universal for Phones, Tablets, and Laptops

YN30WPD

Product Overview

Specifications

Parameter	Specification
Output Voltage	5V3A / 9V3A / 12V2.5A / 15V2A / 20V1.5A
Output Power	30W Max
Product Dimensions	46.5×39.2×22mm
Model Number	YN30WPD
Safety Certifications	3C, CE, ETL
Operating Temperature	0°C-40°C (Typical Environment)

Product Features

- Ultra-slim Portable Design : Body thickness of only 22mm, lightweight and compact, easily fits in a pocket or bag, ideal for travel and daily commuting.
- Full Protocol Fast Charging Compatibility : Supports mainstream fast charging protocols such as PD3.0, QC4+, PPS, AFC, FCP, SCP, covering phones, tablets, laptops, and more, one charger for multiple devices.
- 30W High Power Output : Up to 30W power, can provide emergency charging for laptops (20V output), while meeting fast charging needs for tablets and phones with excellent efficiency.
- Smart Chip Protection : Built-in smart identification chip automatically matches the optimal charging current for the device, preventing overcharging and extending battery life.
- Multiple Safety Protections : Features over-voltage, over-current, over-temperature, and short-circuit protection mechanisms, certified by 3C, CE, ETL, and other international standards for safer use.

Applications

• Consumer Electronics

Smartphones, tablets, laptops, gaming consoles, etc., for PD fast charging and regular charging, supporting PD3.0/QC4+/PPS full protocols.

• Medical Equipment Power Supply

Patient monitors, ventilators, portable medical devices, ultra-low leakage current, certified to IEC EN60601 medical grade.

• Industrial Control & LED Lighting

Industrial switches, industrial PCs, LED displays, security surveillance, wide voltage range 9-58VDC adjustable, adaptable to harsh grid environments.

• Network Communication & IoT

Routers, switches, fiber optic terminals, IoT gateways, high-reliability uninterrupted power supply, certified by UL/CE/FCC.
