

YN30WPD 30W

PD3.0/QC4+/PPS

YN30WPD

Product Overview

Specifications

| Parameter | Specification                           |
|-----------|-----------------------------------------|
|           | 5V3A / 9V3A / 12V2.5A / 15V2A / 20V1.5A |
|           | 30W Max                                 |
|           | 46.5×39.2×22mm                          |
|           | YN30WPD                                 |
|           | 3CCEETL                                 |
|           | 0°C-40°C                                |

Product Features

- 22mm
- PD3.0QC4+PPSAFCFCPSCP
- 30W
- 30W20V
- 
- 3CCEETL

Applications

- 
- PD
- 
- IEC EN60601
- LED
- PCLED9-58VDC
- IoT
- IoTUL/CE/FCC
