

YN-P203-F P

3000W 20KHz

YN-P203-F

Product Overview

Specifications

Parameter	Specification
Input Voltage	220V
Output Frequency	20KHz
Output Power	3000W (2000W/4000W)
Output Voltage	1-100mm²
Dimensions	565×269×442mm
Weight	73KG

Product Features

- Output Frequency: 20KHz
- Output Power: 3000W
- Output Voltage: 1-100mm²
- Weight: 73KG

Applications

- Industrial applications
- Commercial applications
- Residential applications
