

YN-X204-Z 4000W

YN-X204-Z

Product Overview

Specifications

Parameter	Specification
Input Voltage	220V
Switching Frequency	20KHz
Output Power	4000W
Output Voltage Range	1-30mm²
Dimensions	1020×610×1200mm
Weight	132KG

Product Features

- Output Power: 4000W
- Output Voltage Range: 1-30mm²
- Dimensions: 1020×610×1200mm
- Weight: 132KG
- Efficiency: 95%
- Protection: Overload, Overtemperature, Short Circuit, etc.

Applications

- Industrial: CNC Machine, Laser Cutting, etc.
- Commercial: Shopping Mall, Office Building, etc.
- Residential: Home Appliance, etc.
- Medical: Hospital, etc.
- Education: School, etc.
- Government: Government Building, etc.

Certifications
